Register in-store, by calling 503.788.9000 or emailing [division-classes@portlandnursery.com](mailto:division-classes@portlandnursery.com)  
All classes held in our Portland Nursery University classroom. Complimentary coffee and tea provided.

We are excited to announce our Division Street  
Passion for Learning Class Series.

This class series gives you the opportunity to earn credits toward plant purchases while picking up new gardening skills!

Class attendees receive credits for each class. Classes are one credit for hour-long, free classes, two credits for longer or fee required classes. Most classes are free unless otherwise noted.

Stamp cards track individual credits received and can be used to receive discounts on your purchase.

**(Credit redemption is only valid at our Division Location).**

Use one credit/stamp on the day of the class for a 10% discount on that day's purchase.

Save up your credits. 5 stamps = one time 30% discount.
