

Custom Planting Plans

Let Us Take The Guesswork Out of Plant Selection

- ◆ We will create a planting plan for you based on information you bring to the table.
- ◆ Our service focuses on planting plans for existing and planned planting areas on your property.
- ◆ Our designs are hand drawn to scale and are accompanied by a plant list to assist in shopping.

By Getting a Little Dirty, You Can Save Big:

1. **Fill Out Our Questionnaire** — you'll find it at www.portlandnursery.com.
Be sure to get input from everyone who will live with the garden.
2. **Measure and Sketch Out Your Site. Snap and Print Photos.**
Follow instructions on the questionnaire.
3. **Set Up a Consultation Appointment. Call 503-788-9000 x 201**
Consultations are held at the design office & available by appointment only.
4. **Receive a Custom Planting Plan.**
Fees are based on the total square footage of designed areas, see fee chart below.

Note:

- ◆ Designs focus on plant composition and do not include hardscape design of such things as decks, water features, paths, patios, etc. Ask us for referrals for this service & have hardscape elements installed & photographed before beginning planting plan process.
- ◆ We do not install or maintain gardens.

Design Fees Based Solely on Project Size - *does not include existing paths, lawns, etc.*
